Dear Parents,

We are happy that our children are bringing healthy snacks in the school.

To make the lunch time more interesting for the children and convenient for the mother, we are suggesting the following recipes. These have been planned by experts from the field of Nutrition. If the children do not eat healthy food during school hours, there can be Lack of energy, poor concentration, less memory, poor scholastic performance.

You are requested to keep ingredients ready or do some pre preparation for what you have to send in the tiffin next day.

The recipes are suggested day wise to maintain uniformity in all the students lunch boxes. Choice has been given and you can send any one of them.

If at all, there are no provision for any of these items, you can send a fruit.
